The Barn

A tall 1960's tin hay barn with a soft saw dust floor and large wood doors welcome events of all sizes. The open space offers space to mingle, dine, dance the night away. Enjoy a magical reception with views of the rolling hills and a clear view of the open sky. The barn is designed with elegant chandeliers, bistro lighting, antique gold mirrors and a built-in stage. Entertainment for up to two hundred guests inside and an open space around the barn for a larger crowd.
